Dear Parents and Carers,

This week classes have focused on the following:

**Acorn** – Developing fine motor skills and learning classroom rules and routines.

**Beech** – Learning about people who help up and writing sentences about them, counting in Maths and discussing our new enquiry topic: Who are we and where do we belong?

**Laurel** – Learning how to write [compound sentences](#), place value in 4- and 5-digit numbers, considering our personal values as part of our enquiry and gymnastics sessions.

**Oak** – Using the book [People Need People](#) to interpret meaning, place value in numbers up to 10,000 and creating identity maps as part of our enquiry.

We have been very busy during our first full week back in school. Children have been developing our outdoor environment by planting seeds, bulbs and plants in order to make our environment more attractive to us and to wildlife. We have also appointed our Pupil Senedd following a class vote and the following pupils will be representing their class in order to help make decisions about our school and make our school the best it can be.
